

Horizon

Kerry Louise Taylor

So we here
New horizon
Glasses in the Air
We never Slip
Always Trying
You feel it everywhere
A light just shined and tonight an
Message so bright an as we sip
Cos we flying you feel it in the air
Its mine i might an
Holding on real tight an just let me flip and no more crying

A new day wipe the pain away a resolution a solution
Dont suffer in silence
Broke The Ice. Ah ah ah ah

Your Like a Gift
Sent for me dont drift away
With The Wind
Its time you see inside your mind
Infinity is what i find
Everlasting deep inside
Flip the past n think twice tonight
The Greatest album of all Time

Repeat chorus
