

# Surrender

[Elvis Presley](#)

When we kiss my heart's on fire  
Burning with a strange desire  
And I know, each time I kiss you  
That your heart's on fire too So, my darling, please surrender (Surrender)  
All your love so warm and tender (Surrender)  
Let me hold you in my arms, dear  
While the moon shines bright above All the stars will tell the story  
Of our love and all its glory  
Let us take this night of magic  
And make it a night of love Won't you please surrender to me (Surrender)  
Your lips, your arms, your heart, dear (Surrender)  
Be mine forever  
Be mine tonight
