

# If It's Magic

Sarah Connor

If it's magic...  
Then why can't it be everlasting  
Like the sun that always shines  
Like the poets endless rhyme  
Like the galaxies in time  
If it's pleasing...  
Then why can't it be never leaving  
Like the day that never fails  
Like on seashores there are shells  
Like the time that always tells  
It holds the key to every heart  
Throughout the universe  
It fills you up without a bite  
And quenches every thirst  
So...

If it's special  
Then with it why aren't we as careful  
As making sure we dress in style  
Posing pictures with a smile  
Keeping danger from a child  
It holds the key to every heart  
Throughout the universe  
It fills you up without a bite  
And quenches every thirst  
So...

If it's magic...  
Why can't we make it everlasting  
Like the lifetime of the sun  
It will leave no heart undone  
For there's enough for everyone  
If it's magic...
