

Oh Donna

[MxPx](#)

Oh Donna, oh Donna
Oh Donna, oh DonnaI had a girl, Donna was her name
Since she left me, me I've never been the same
'Cause I love my girl
Donna, where can you be?
Where can you be?Now that you're gone and I'm left all alone
All by myself to wander and roam
'Cause I love my girl
Donna, where can you be?Darling, now that you're gone
I don't know what I'll do
Yeah and I had all my love for youOh Donna, oh Donna
Oh Donna, oh DonnaI had a girl, Donna was her name
Since she left me, I've never been the same
'Cause I love my girl
Donna, where can you be?
Where can you be?Oh Donna, oh Donna
Oh Donna, oh Donna
Oh Donna, oh Donna
Oh Donna, oh Donna
