Happy Ending

Slow Runner

Advisory - the following lyrics contain explicit language:

Do you want to end this way?
Happy endings make me feel out of place.
Can't you make a little scene?
Throw my shit out from your room to the street...We won't fight with the neighbors listening.
Turn out the light, what a happy ending...How can you remain so cold,
when the wind is ringing all my inner alarms?
I put on my yearbook smile
But always burn for something stupid and wild.We won't fight with the neighbors listening.
Kiss me goodnight, what a happy ending...We won't fight with the neighbors listening,
Kiss me goodnight, what a happy ending.
We won't fight with the neighbors listening,
Turn out the light...
What a happy ending.
