

# Rep That Gang

Iamsu!

Uh, 3's up for that gang, dog  
Still rep where I came from  
Yea they called me Suzy,  
They like where you get that name from?  
Wearin bapes, I can't Push-a T  
I don't trip off my enemies  
Cause I'm getting that new money  
Young bucks, Tennessee  
With the people that been with me  
Never switch my loyalty  
Ride around, like 2 door whatever  
Tryina hustle up to that Bentley.  
No line, I walk in for free  
She so fine, she meant for me  
Blog sites, they mention me  
I said, 'pay me more!' Attention please!  
Cause I'm on the grind,  
I'm turnt up  
You boarder line,  
Get burnt up standing next to mine  
Cause young nigga got fuego  
Outcasts go San Diego  
That's no charge, I go hard  
Threw the G's behind like Brett Farve aye  
( )  
All homies get paid,  
Hustle, grindin all day  
Hold it down for my nigga  
Hold it down for that nigga  
Stay away from the fakes,  
Stay true to what's real  
No time for them snakes  
That's just how I feel!  
So I rep that gang  
Yeah I rep that gang Stand up, play the game  
Yeah I rep that gang ( )  
More than music, it's a lifestyle  
Uh, did some shows, they all sold out  
Uh putting on for my home town

Yeah, never bait with your own sound  
When I'm in the building it goes down  
Yeah, need ten K for my shows now  
I don't shop for no clothes now  
Yeah, I don't trip for no hoes now.  
Bread up with my top down  
Busting out, I'm like rock out  
They're hating, but I can't knock ya  
I'm just happy I'm not ya  
Real ones rock with me  
That's all I'm here for  
Money on my mind, stays on my head like earphones
