

Steam Train

Choo Choo Soul

Steam train, steam train
Take me where I want to go Steam train, steam train
With all my friends looking out the window Steam train, steam train, yeah
Take me where I want to go, oh, yeah Steam train, steam train
With all my friends looking out the window Coal from the coal car
Shovel it, shovel it
Fire's gettin higher
Fire's gettin higher
Water from the water tank
Water's gettin hotter
And we're making steam Steam train, steam train
(Come on won't you come aboard?)
Take me where I want to go
(Take me where I, take me where I wanna go)
Steam pushing pistons
That's what makes the engine go Wheels turning "round
Everybody, get aboard the steam train
