

Alive Again

Planetshakers

When I think about Your goodness
My heart is overcome
How could I begin to thank You
For everything You've done For You keep on loving me
And You cause my heart to sing You, You make me come alive again
You, You make me come alive again Whoa, this is the moment
Whoa, everything changes
Whoa, You are my breakthrough
I praise You, I praise You So come on everybody
It's time to celebrate
We will never stop singing
And lifting up Your name
For You keep on loving me
And You cause my heart to sing You, You make me come alive again
You, You make me come alive again Whoa, this is the moment
Whoa, everything changes
Whoa, You are my breakthrough
I praise You, I praise You You are good, You are good
You are good, You are good
You are good, You are good
You are good, You are good Whoa, this is the moment
Whoa, everything changes
Whoa, You are my breakthrough
I praise You, I praise You
Whoa, this is the moment
Whoa, everything changes
Whoa, You are my breakthrough
I praise You, I praise You You are good, You are good
You are good, You are good
