

Forever Road

Darius Rucker

I heard every word you said
I'm tryin' hard to understand
Exactly what it is you need from me
Baby I apologize I never meant to make you cry
But there ain't no doubt, we can work it out, yeah
'Cause I'm gonna be around
Don't worry baby, I ain't no maybe
Rain or shine this love of mine is for you
Let my arms remind you I'll always be beside you
Holdin' on until this ride is through
So away we go down that forever road
Baby as our lives unfold there's no tellin' where we'll go
But as far as I can see it'll be you and me
Just the way it's supposed to be

Now don't worry baby, I ain't no maybe
Rain or shine this love of mine is for you
Yeah, let my arms remind you I'll always be beside you
Holdin' on until this ride is through
So away we go down that forever road
It ain't gonna be easy, we'll both make big mistakes
But if you love me, trust me, we've got what it takes
Now don't worry baby, I ain't no maybe
Rain or shine this love of mine is for you
Yeah, let my arms remind you I'll always be beside you
Holdin' on until this ride is through
So away we go down that forever road
Down that forever road, away we go
