Lady I Love You

O'Bryan

Hey, lady
I've been wantin' to talk to you for a long, long time
You know what
Somehow it just never seems to come together

Hey, lady, oh

Well, I wonder if you know
You've been on my mind
It's true, girl
Been dreamin' of the time
When I can be a part of your world
Your world

Can I spend some time with you
Baby, just us two
Darlin', give me your hand
Say that I can be your man
And I will never let you down
You ask me if I love you
All I can do is say, oh

Lady, I love you, I love you
Never met a girl so right
And I pray that you can love me too, whoa
I need your more that sunlight
Lady, I love you

And now that you're aware
Could you really care
For me
The tenderness I feel
My love for you is real
Please stay

And when all is said and done
You'll be my only one
Darlin', give me your hand, hey
Say that I can be your man
And I will never let you down

You ask me if I love you
All I can do is say, oh

Lady, I love you, I love you
Never met a girl so right
And I pray that you can love me too, whoa
I need your more that sunlight
Lady, I love you, baby, tonight

Whoa...oh...whoa...whoa...

Can I spend some time with you
Baby, just us two
Darlin', give me your hand
Say that I can be your man
And I will never let you down
You ask me if I love you
All I can do is say, oh

Lady, I love you, I love you
Never met a girl so right
And I pray that you can love me too, ho
I love you
Lady, I love you, oh, ho...

Lady, I love you
Lady, lady, lady, I love you
I never met a girl so right
And I pray that you can love me too, oh
I love you
Lady, I love you
