The Harder They Come

Jerry Garcia

Songwriters: Jimmy Cliff
They tell me of a pie up in the sky
Waiting for me when I die
The day that you're born to when you die
They never seem to hear even your cryAs sure as the sun will shine
I'm gonna get my share of what's mine
Harder they come, harder they'll fall, one and all
Harder they come, harder they'll fall, one and allThe officers are tryin' to keep me down
Trying to drive me underground
Though they think they've got the battle won
I say, "Forgive them, Lord, they know not what they've done"As sure as the sun will shine
I'm gonna get my share of what's mine
Harder they come, harder they'll fall, one and all
Harder they come, harder they'll fall, one and allI'll keep on fighting for the things I want
Though I know that when you're dead, you can't
Rather be a free man in my grave
Than living as a puppet or a slaveAs the sun will shine
I'm gonna get my share of what's mine
The harder they come, harder they'll fall, one and all
Harder they come, harder they'll fall, one and allThey tell me of a pie up in the sky
Waiting for me when I die
The day that you're born to when you die
They never seem to hear even your cryThen the sun will shine
I'm gonna get my share of what's mine
The harder they come, harder they'll fall, one and all
Harder they come, harder they'll fall, one and allThe officers are tryin' to keep me down
Trying to drive me underground
Though they think they've got the battle won
I say, "Forgive them, Lord, they know not what they've done"As sure as the sun will shine
I'm gonna get my share of what's mine
The harder they come, harder they'll fall, one and all
Harder they come, harder they'll fall, one and allAnd I'll keep on fighting for the things I want
Though I know that when you're dead, you can't
I'd rather be a free man in my grave
Than living as a puppet or a slaveAs sure as the sun will shine
I'm gonna get my share of what's mine
The harder they come, harder they'll fall, one and all
Harder they come, harder they'll fall, one and allYou know, the harder they come, harder they'll fall, one and all

Harder they come, harder they'll fall, one and all
Harder they come, harder they'll fall, one and all
