Jizzle

Young Jeezy

Don't let me rip shit for yah
Still come through yah
Panoramic ass niqqas
Yeah I shoot right through yah
Hole in yah niqqa yeah you gonna need a ruler
The way I measure that you can call me the ruler
Walk up in this motherfucker like a walking cooler
Yeah Im walking cooler niqqa thanks to my jeweler
Oh Kim wasabi
Mcfallen is my hobby
I should buy a double u
and throw a party in the lobby
Said a homeboy told her
I was fucking roxy
Swear I hate niqqas
I should be a fucking Nazi
Don't know what you hear
baby that could be a rumor
Stones in my ear yeah
that could be a tumor
