## Young Jeezy

Don't let me rip shit for yah  
Still come through yah  
Panoramic ass niqqas  
Yeah I shoot right through yah  
Hole in yah niqqa yeah you gonna need a ruler  
The way I measure that you can call me the ruler  
Walk up in this motherfucker like a walking cooler  
Yeah Im walking cooler niqqa thanks to my jeweler  
Oh Kim wasabi  
Mcfallen is my hobby  
I should buy a double u  
and throw a party in the lobby  
Said a homeboy told her  
I was fucking roxy  
Swear I hate niqqas  
I should be a fucking Nazi  
Don't know what you hear  
baby that could be a rumor  
Stones in my ear yeah  
that could be a tumor
