Love Decay

Liv Kristine

Love decay, love cast away
Words crumble into dust
Skin to skin
You're innocent but who am I to trust
I feel the blow to turn around
Make love revive just one more time
Can we be creatures of the nightI am bound to live forever
I'm alive enough to sense you
Why am I hiding
Are we only dying
Your breath of life
I feel your warmth like sunshine on a rock
Sin by sin
You're innocent and who am I to trust
I don't know how to turn this page
Make life revive, some day it ends
Can we be lovers in the lightI am bound to live forever
I'm alive enough to sense you
Why am I hiding
Are we only dying
I am cursed to love in darkness
I'm alive enough to touch you
Why am I breathing
Am I only dying to crumble into dustWhy am I thriving
Why am I denying
Why am I longing
I feel the blow to turn around
Make love revive just one more time
Can we be creatures of the nightI am cursed to love in darkness
I'm alive enough to touch you
Why am I breathing
Am I only dying to crumble into dustAre we only dying
Crumble into dustLove decay
