

I Can't Stop Loving You (Re-Recorded In Stereo)

Don Gibson

I can't stop loving you
I've made up my mind
To live in memories
Of old lonesome times I can't stop wanting you
It's useless to say
So I'll just live my life
In dreams of yesterday Those happy hours
That we once knew
Though long ago
Still make me blue They say the time
Heals the broken heart
But time is stood still
Since we've been apart I can't stop loving you
I've made up my mind
To live in memories
Of old lonesome times I can't stop wanting you
It's useless to say
So I'll just live my life
In dreams of yesterday
