

Do It Clean

Echo & The Bunnymen

I've got a handful of this
What do I do with it?
I've got a barrel of this
What do I do with it?
I do it clean, I do it cleanDo it clean, do it clean
Know what I mean
Do it clean, do it clean
I know what I mean, I meanWhere am I going?
Where have I been?
Where are you going?
Where have you been?
I've been here, I've been thereI've been here, there, everywhere
Here, there, nowhere
Iszy bitzy witzzy itzy everywhere
I've been here and I've been there
I'm cleanI had a handful of this
What did I do with it?
I had a barrel of this
What did I do with it?
I did it clean, I did it cleanDo it clean, do it clean
Know what I mean?
Do it clean, do it clean
I know what I mean
