

# Torture

## King

Love me like you said you would  
Love me 'til I'm numb  
Love me like you said you could  
Call me and I'll run

Right now, right now I want you  
Right now, right now I want you 'cause

It's more than torture  
When you're on your knees  
It's more than torture  
When you choose to

Love me like your favourite sweet  
Your just desserts and more  
Cover me in cheesecake mix  
Swallow me up whole

Right now, right now I want you  
Right now, yeah, right now I want you 'cause

It's more than torture  
When you're on your knees  
It's more than torture  
When you choose to tease

Right now (you're wired now, you're wired now), right now I want you  
Right now (you're wired now, you're wired now), right now I want you 'cause

It's more than torture  
When you're on your knees  
It's more than torture  
When you choose to tease

And it's more than torture  
When you're on your knees  
It's more than torture  
When you choose to tease

When you tease me

It's more than, its torture
