

# Knocked Up

## Kings of Leon

I don't care what nobody says  
We're gonna have a baby  
Taking off in a Coup De Ville  
She's buckled up on NavyShe don't care what her momma says  
No, she's gonna have my baby  
Taking all I have to take  
This takin' is gonna shape mePeople call us renegades  
'Cause we like living crazy  
We like taking on the town  
'Cause people's getting lazyI don't care what nobody says  
No, I'm going to be her lover  
Always mad and usually drunk  
But I love her like no otherAnd the doctor says he don't know  
Where we gonna go?  
I'm a ghost and I don't think I quite know  
Where we're gonna go? Where we're gonna go?People call us renegades  
'Cause we like living crazy  
We like taking on this town  
'Cause people's getting lazyI don't care what nobody says  
No, I'm going to be her lover  
Always mad and usually drunk  
But I love her like no otherAnd her daddy says he don't know  
Where we gonna go?  
I'm a ghost and I don't think I quite know  
Where we gonna go? Where we gonna go?  
Where we gonna go? Where we gonna go?  
Where we gonnaPeople call us renegades  
We like taking on this town  
And I don't care if you don't winI don't care what nobody says  
We're gonna have a baby  
Taking off in a Coup De Ville  
She's buckled up on NavyShe don't care what her mama said  
No, she's gonna have my baby  
I'm taking all I have to take  
'Cause takin' is gonna shape me
