

# Play This On A Mountain At Sunset

Jaden Smith

Yeah just go to the back  
Girl standby, it's time, 'bout to blow up like a landmine  
Girl standby (standby)  
Girl standby, it's time, 'bout to blow up like a landmine  
That you can't find  
You and I, girl standby, on the beach got my hands tied  
Going off like a land mine  
Thoughts that I can't find  
Go standby (standby), standby (standby)  
I got to moon-dust, see how your body movin', ohhh  
Got my hands tied, oh, land-line  
Got some problems that I can't find (can't find)  
On the beach, hand's tied (Get it, get it, get it, get it, let's go!)  
Girl we could cause a [?] tonight, take you to the [?]  
On my night  
You take all my soul alive, don't know why  
We the ones on the real boats in the water, we want no problem  
Drink it all on the boats in the water, we want no problems  
Standby, standby (Baby I like the [?])  
Going out, land mine, gotta your hand now, standby  
Chanel swish, they don't miss  
That's a gift, this is it  
We don't trip, triple flip  
Mis-uh-fits, that's the clique (ohhh, standby)  
Like a landline, talkin' bout no problems that I can't find  
Water on the beach, land mine (don't gotta drip like this)  
Oooh, standby  
It's a lullaby, oooh, oooh it's a lullaby  
We wanna fly, look on the fly, jump in the sky  
Found this ha-aaa-  
We found this- the sky, we fly-  
Fly boundless, boundless, boundless  
Fountains, for mountains  
Mountains, stuck in the mountains  
Stuck in my own ways, stuck in the hallways always  
All days, been make one then  
Mountains, fountains, around them  
I got the water, why am I drowning?  
Mountains, mountains, fountains, Allow this

How'd we allow this? It's crowded  
(Dying) thousands (crying) about them  
Re-routing, there's thousands, frozen, oh  
How could I say  
Fish are falling from the sky, my eyes seek for a ways  
Blood flowing in the rivers, now on my mouth your name  
Carve those letters in my leg tryna feel your pain, girl  
I look the same, I'm not the same (Eys)  
Tell me, has the valley changed, girl?  
Have I been walking through your brain, girl?  
I think I'm going through a change  
Sunset's still feeling afraid  
Tryna tell me she don't feel anything  
Wait till the sky turns pink  
Then you'll see why I'm boundless (crowded)  
Flying, boundless, flying (Mountains)
