

# I Wanna Thank Ya (Radio edit)

Angie Stone

Ladies & Gentlemen

This is a Jazze fizzle product-shizzle (Let's do it)

Angie Stone, sing it baby (Ooh, let's do it)

Fo'shizzle, dizzle, and you can't forget about

The big snoopy deegle double gizzle, yeah

(Let's do it, right)

Oh love, I just don't know what it is you do to me

So many ups there's no room to complain

Got me feeling free

And I ain't diggin' nobody but you

Can't take a chance on nobody new

And I'm feelin' everything you do

Your love is gangsta, I want to thank ya

[Chorus]

Love it when you love me baby

Love it when you love me darlin'

Oh, 'cause you know I love you baby

You know I really love you darlin'

Love it when you love me baby

Love it when you love me darlin'

Oh, 'cause you know I love you baby

You know I really love you darlin'

Ahh you know you're my destiny

And I love this chemistry

It keeps on pulling me

Making me see you're the one God fashioned for me

I can't explain how you're makin' me feel

Throw up my hands 'cause this feeling is real

Wiggle 'em around 'cause you're puttin' it down

Your love is gangsta, I want to thank ya

[Chorus]

You give me a natural high

Love me so good, I'm on cloud nine

(You're love) to be the seventh heaven

I consider it a blessing  
Many tried but could not get it right  
Now I found out that I have up and died

[Chorus]

[Snoop Dogg]  
G-A-N-G-S-T-A  
From what I see ?cup a whissamus?  
We stay together, forever  
You see 'cause ever is ever

And never ever would nobody do it better than the "S"  
Oh yes, I guess you're blessed  
I put the rocks on ya fingers, earrings jingle  
No more single, you got a man in ya life

And I understand watcha like  
Ya friends don't understand why you be seeing me  
But they don't understand that you love the 'G' in me  
The way I walk, the way I look, the way I talk

The way we make love in the dark  
Some things in life were meant to be  
I thank God above that you were sent for me  
You see 'cause my point of view, it's all about you  
You got to tell me what you want to do

Come into my life  
Boy I adore you [I need you, I need you]  
Come into my life [Yeah, yeah]  
Boy I adore you [Let's do it, let's do it]

Come into my life [I'm down wit it]  
Boy I adore you [Yeah, see'mon, see'mon]  
Come into my life [Yeah]  
Boy I adore you  
[I gotta do it, do it, I gotta to do it, do it]

[Chorus until fade]
