

Sugar Babe

Steve Miller Band

Way down in Alabama
There's a girl just a waitin' for me
She don't have to worry
She don't have to hurry
Lord, I keep her so happy She's my sugar baby
Sugar, sugar baby
Sugar baby
Sugar, sugar baby Lordy, Lordy pretty mama
Yes you're tough enough
Lordy, Lordy mama
Go on and strut your stuff My sugar baby
Sugar, sugar baby
Sugar baby
Sugar baby You know this love
Is gonna keep on gettin' stronger
You know my love
Is gonna last you longer Sugar baby
Sugar, sugar baby
Sugar baby
Sugar, sugar baby Sugar baby
Sugar, sugar baby
Sugar baby
Sugar, sugar baby You know this love
Is gonna keep on gettin' stronger
You know my love
Is gonna last you longer Sugar baby
Sugar, sugar baby
Sugar baby
Sugar baby
