

Feels Good

Carson Lueders

Woke up and I feel like money
Ain't no one can take from me
I got the styles like this
Steph' Curry and you know I don't miss
Everyday is a blessing
Ain't got no time for regretting
And there ain't no quits
Im telling ya Im just living Oh I'm on a new way
No matter what they say got no time to waste,
Yeah we do it all way
Let the sun hits your face and it's all that it takes cause
It feels good feels good feels good ah
All I can say is
It feels good feels good feels good ah
Everyday,
It feels good feels good feels good ah
Everyday,
It feels good feels good feels good to
All I can say...
It feels good feels good feels good ah
(it feels good feels good feels good ah) Come on turn that radio up
They whole squad, they don't know what's up
And if you hear the sound
We going shut the whole world down
Oh I'm on a new day
No matter what they say got no time to waste
Yeah all way, we do it all way
Let the sun hits your face and it's all that it takes cause
It feels good feels good feels good ah
All I can say is...
It feels good feels good feels good ah
Everyday,
It feels good feels good feels good ah
Everyday,
It feels good feels good feels good ah
All I can say...
It feels good feels good feels good ah
(it feels good feels good feels good ah) Oh I'm on a new way
Oh yes I'm on a new way yeah, yeah

We do it all way we do it all way we do it all way yeah Oh I'm on a new way
And starting today (yeah, yeah)
We do it all way And all that I can say...
It feels good feels good feels good ah
Everyday
It feels good feels good feels good ah
Everyday
It feels good feels good feels good ah
Everyday
It feels good feels good feels good ah
All I can say...
Everyday
It feels good feels good feels good ah
All I can say...
