

On Your Mind

White Reaper

Why don't you smile?
It's been a while
Since you seemed like? and I hate to see you like that
You say "I'm tired, I lost my mind"
If you love me then?
But you don't need anything
You say, "let me be, oh don't come near me"
I'm trying?
I'm trying all the time
not trying to be??
You're under the weather
You feel like you never
And I'm getting older
And I should have told her she's on my mind all the time
So lets? and close our eyes
You're so selfish you always want all of the (?) for yourself
You say, "let me be, oh don't come near me"
I'm trying?
I'm trying all the time
not trying to be??
(I give up on these lyrics sorry)
