

# I Loves You, Porgy

[Miles Davis](#)

You and I would've shared love, so strong and so secure  
But all you left the memories the feelings are no more  
Like flowers in the big field, all died and blown away  
The letters and the pictures are all that will remain  
But every moment of every day  
I wanna see you, I wanna say  
No one loves you like I love you  
No one needs you the way I do  
No one knows you like I know you  
No one kisses you the way I do  
So many years of memories  
Suppressed beyond recall  
The feeling was unbroken  
Seem silent and so small
