

Try To Remember

Nana Mouskouri

Try to remember the kind of September
When life was slow and oh
so mellow.

Try to remember the kind of September
When grass was green and the grain was yellow.

Try to remember the kind of September
When you were young and the callow fellow.

Try to remember and if you remember
then follow

follow.(Try to remember) when life was so tender
When no-one wept except the willow.

Try to remember when life was so tender
When dreams were kept beside your pillow.

Try to remember when life was so tender
When love was an ember about to billow.

Try to remember and if you remember
then follow

follow.Deep in December it's nice to remember
Although you know the snow will follow.

Deep in December it's nice to remember
Without a hurt the heart will hollow.

Deep in December
it's nice to remember

The fire of September that made you mellow.

Deep in December our hearts should remember and follow
follow.
