## **Second Street North**

## **Glen Campbell**

got an easy place, to be in my arms, yeah in my arms got a simple space to feel free, in my arms, yeah in my armskeep it on the recent keep it on the now give me an easy way outits a lovely world that I got in my arms, baby in my arms got a lot of room to get lost in my arms, baby in my armskeep it on the recent keep it on the now give me an easy way outkeep it on the recent keep it on the now give me an easy way outgot an easy place to be in my arms, baby in my arms you got nothing to fear, from me in my arms, baby in my armsin my arms, baby in my arms
