

Mental Radio

The Faint

Telepathy twits make waves today,
It's about to prove they communicate,
Hi-fi satellite truth machine,
We anesthetize who we meant to be. Is this entangled magic true?
Can we connect like signals too? Animal crowds move sharp and quick,
They lock in phase to the plan for it,
Smoked out scientists can't connect,
They've got mouths to load,
We relate to that.
Is this entangled magic true?
Can we connect like signals too? Physical rooms on video tape,
Make sense to us in material age,
Psychic resonant feels connect,
Are we meant to know?
Can we tune to it? Mental radio,
Mental radio,
Mental radio.
Mental radio
Distant vision,
Mental radio
Found in space,
Mental radio,
Psychic echoes,
Mental radio,
Locked in phase,
Mental radio,
Teared apart,
Mental radio,
Psychic echoes,
Mental radio,
Teared apart.
