

# Moth into Flame (2016)

## Metallica

Blacked out  
Pop queen, amphetamine  
The screams crashed into silence  
Tapped out  
Doused in the gasoline  
The high times going timeless  
Decadence  
Death of the innocence  
The pathway starts to spiral  
Infamy  
All for publicity  
Destruction going viral  
Light it up  
Ah, light it up  
Another hit erases all the pain  
Bulletproof  
Ah, kill the truth  
You're falling, but you think you're flying high  
High again  
Sold your soul  
Built a higher wall  
Yesterday  
Now you're thrown away  
Same rise and fall  
Who cares at all?  
Seduced by fame  
A moth into the flame  
Twisted  
Backstabbing wicked  
The delusion absolution  
Perjurer  
Fame is the murderer  
Seduce you into ruin  
Light it up  
Ah, light it up  
Another hit erases all the pain  
Bulletproof  
Ah, tell the truth  
You're falling, but you think you're flying high  
High again  
Sold your soul  
Built the higher wall  
Yesterday  
Now you're thrown away  
Same rise and fall  
Who cares at all?  
Seduced by fame  
A moth into the flame

BurnGuarantee your name, you go and kill yourself  
The vultures feast around you still  
Overdose on shame and insecurity  
If one won't do that fistful willDeath scene  
Black hearse the limousine  
A grave filled with seductionVaccine  
Fame does the murdering  
She builds up for destructionSo light it up  
Ah, light it up  
Another hit erases all the pain  
Bulletproof  
Ah, no excuse  
You're falling, but you think you're flying high  
High againSold your soul  
Built the higher wall  
Yesterday  
Now you're thrown awaySame rise and fall  
Who cares at all?  
Seduced by fame  
A moth into the flameAddicted to the  
Fame
