

Jessie's Girl

Frickin' A

Jessie is a friend
Yeah, I know he's been a good friend of mine
But lately somethings changed it ain't hard to define
Jessie's got himself a girl and I want to make her mine And she's watching him with those eyes
And she's lovin' him with that body I just know it
And he's holding her
In his arms late late late at night You know, I wish that I had Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman like that? I play along with the charade
There doesn't seem to be a reason to change
You know I feel so dirty when they start talking cute
Wanna tell her that I love her but the point is probably moot 'Cause she's watching him with those eyes
And she's lovin' him with that body, yeah she's
I just know it and he's holding her
In his arms late, late at night You know I wish that I had Jessie's girl
I wish that I had Jessie's girl
Where can I find a woman like that? Like Jessie's girl I wish that I had Jessie's girl
Where can I find a woman like that?
Where can I find me woman like that? And I'm lookin' in the mirror all the time
Wonderin' what she don't see in me
I've been funny I've been cool with the lines
Ain't that the way love supposed to be
Tell me, where can I find a woman like that? You know, I wish that I had Jessie's girl
I wish that I had Jessie's girl, I want Jessie's girl
Where can I find me woman like that like Jessie's girl?
I wish that I had Jessie's girl, I want Jessie's girl
Where can I find me woman like that?
