Old Enough to Know Better

[Wynonna Judd](#)

You'd think I'd have the sense to run
Knowin' where you're comin' from
I can't bring myself to go
Heaven help me I can't say noI see forever in you deep blue eyes
And I know where the danger lies
Tell me what's a girl to do
When she's up against the likes of youI'm old enough to know better
But too young to resist
I'd lay awake at night
Wonderin' what I might have missed
But somethin' tells me your trouble
The only trouble is
I'm old enough to know better
But too young to resistNow good things come to those who wait
Somethin' tells me this is fate
And after all that I've been through
I'm gonna trust my heart to you
