The One That You Love

Air Supply

Now the night has gone Now the night has gone away

Doesn't seem that long

We hardly had two words to sayHold me in your arms for just another day

I promise this one will go slow, oh

We have the right to know

We have the right to knowDon't say the mornings come

Don't say the mornings come so soon

Must we end this way

When so much here is hard to loseLove is everywhere, I know it is

Such moments as this are too few, oh

It's all up to you

It's all up to youHere I am the one that you love

Askin' for another day

Understand the one that you love

Loves you in so many waysTell me we can stay

Tell me we can stay, oh please

They are the words to say

The only words I can believeHold me in your arms for just another day

I promise this one will go slow, oh

We have the right you know

We have the right you knowHere I am the one that you love

Askin' for another day

Understand the one that you love

Loves you in so many waysHere I am the one that you love

Askin' for another day

Understand the one that you love

Loves you in so many ways The night has gone

A part of yesterday

I don't know what to say

I don't know what to sayHere I am, the one that you love

Askin' for another day

Understand the one that you love

Loves you in so many waysHere I am the one that you love

Askin' for another day

Understand the one that you love

Loves you in so many waysHere I am the one that you love

Askin' for another day

Understand the one that you love

Loves you in so many ways
