

Slave Driver

Bob Marley & The Wailers

Ooh-ooh-oo-oooh. Oo-oo-oooh! Oo-oo-oooh.

Slave driver, the table is turn (catch your fire)

Catch your fire, so you can get burn, now (catch your fire)

Slave driver, the table is turn (catch your fire)

Catch your fire, you gonna get burn (catch your fire) wo, now! Every time I hear the crack of a whip

My blood runs cold

I remember on the slave ship

How they brutalize the very souls

Today they say that we are free

Only to be chained in poverty

Good God, I think it's illiteracy

It's only a machine that makes money

Slave driver, the table is turn, you'll ooh-ooh-oo-oooh Slave driver, uh! The table is turn, baby, now (catch your fire)

(Catch your fire) so you can get burn, baby, now (catch your fire)

Slave driver, the table is turn, y'all (catch your fire)

(Catch your fire) so you can get burn, now (catch your fire) Every time I hear the crack of a whip

My blood runs cold

I remember on the slave ship

How they brutalize your very soul
