

Pause

Plain White T's

I don't know
Where this road is gonna go
It's gonna go
I'll be just fine
Taking my time
I'll take it slow
I'll take it slow Cuz I don't want to miss this moment
And I can get it back when its over
I'm gonna push pause
I'm calling time out
Plenty of time to figure it out
I'm gonna push pause
I'm gonna time out
Call a time out
Gonna push
Ooohhhh
Gonna push
Ooohhhh I hope some day
I will look back and say
"I had it all"
"I had it all"
Less work more fun
Spending more time with the ones I love
Oooh
Singing ooohhh
Cuz I don't want to miss this moment
And I cant get it back when its over I'm gonna push pause
Yeah I'm gonna time out
Plenty of time to figure it out
I'm gonna push pause
I'm gonna time out
Call a time out
Gonna push
Ooohhhh
Gonna push
Ooohhhh Time goes by too fast
Gotta try to make it last
Gotta try to make my life better
Try to slow down and keep it all together

Take it day by day
Find myself along the way
Find myself along the way
Yeah
YeahGonna push pause
Calling time out
Plenty of time to figure it out
Gonna push pause
Calling time out
Time outI'm gonna push pause
I'm calling time out
Plenty of time to figure it out
I'm gonna push pause
Calling time out
Call a time out
Time out
Gonna push
Ohhhhh
Gonna push
Oooohhhhh
Time out time out
Ooohhh
Time out time out
Ooohhh
Ooohhh
