Atomic Number

Neko Case

I'm not the freckled maid
I'm not the fair-haired girl
I'm not a pail of milk for you to spoilWhy are the hopes and things
The ones we make obsceneLatin words across my heart
Symbols of infinity
Elements so pure
Atomic numberI am a spark
Of this machine
Purring like the city busWhy are the hopes and things
The ones we make obscene
Well, if your mercy's lost I have enough for usLatin words across my heart
Symbols of infinity
Elements so pure
Atomic numberLatin words across my heart
Symbols of infinity
Elements so pure
Atomic numberMy atomic number
My atomic number
My atomic number
