

# Song for Aberdeen

## Mando Diao

She was an alcoholic artist  
With too much makeup round her eyes  
And I never knew her real name  
She was sunbeam wrapped in lies  
But I love her and I'm sorry  
And that's all there is to say  
It's like a fairy from the ancient time  
And I hope it, I hope it stays that way  
And when I woke up on your kitchen floor  
With a headache made in hell  
And the flowers that I gave you  
Smiled at me from the window pane  
Then I thought I must be crazy  
Cause I'm feeling kinda good  
And then when Satan helped me up again  
It was then I, it was then I understood  
Well I was never meant to be a good boy  
I was never meant to go to school  
Well it's guys like me who get somewhere  
Cause everybody pitty a fool  
Now it's payback for the rainy days  
Now it's no more me and you  
Well I got mine, you got yours babe  
Now it's payback  
Now it's me against the world  
It was the last time I forgave you
