

# I'm Tired

Ray Price

Well I'm standin' on the corner of a busy street  
A lookin' for your face in ever crowd I meet  
Searchin' every honky tonk in this town  
Tryin' to find the places where you hang around  
Oh Lord I'm tired tired of living this a way  
[ fiddle ]

Well I've been waitin' on you baby night and day  
A wonderin' if your love will ever come my way  
But time's runnin' out and I'm a slowin' down  
I'm tired of bein' just another hang around  
Oh Lord I'm tired tired of living this a way  
[ steel ]

There ain't no happiness in anything I do  
I found myself so lonely when I'm not with you  
What makes you just a kinda girl a guy will love  
You've got so many others that you're thinking of  
Oh Lord I'm tired tired of living this a way  
Oh Lord I'm tired tired of living this a way
