

# Mysteries Of The Unexplained

[Tanya Donelly](#)

I heard a song  
I heard the saddest song on WSUK  
They play it every other hour of every other day  
'Cause the greaser sent them t's and toys for regular airplay  
All your heroes are whores  
all your heroes  
'Cause it's a tinkertoy world  
Wouldn't buy a chance to leave it  
'Cause sometimes  
It rains fish from the sky and the statues all start to cry  
And someone writes another beautiful song  
And anyway i predict the next meteor to hit will be a monster  
And I for one am looking forward to it  
I saw a movie  
I saw the saddest film  
Where everyone got killed  
And the crowd went wild  
I didn't understand the end i couldn't spot the good guy  
All your heroes are whores  
All your heroes  
I had a dream a shining bright city perfect and clean  
I made a wish for a sky full of fish
