Catch

Kosheen

Catch youYou create misery
Have your cake and eat itTake your place in history
And pray we don't repeat itCall it fate, call it back[break]Call it off, don't call me later[break]
Lay your head in your bed
It's just how you made itOut off my way I'm running
I'm gonna catch you if I canOut off my way I'm coming
I'm gonna catch you if I canOut off my way I'm running
I'm gonna catch you if I canOut off my way start running
I'm gonna catch youIt's your day believe it
It's your date with destinyIt's too late to leave it
After all it's your, it's your partyCall it luck, call it fate
Call me beautiful to my faceCall it out to my to suprise
It's just how you made itOut off my way I'm running
I'm gonna catch you if I canOut off my way I'm coming
I'm gonna catch you if I canOut off my way I'm running
I'm gonna catch you if I canOut off my way start running
I'm gonna catch youOut off my way I'm running
I'm gonna catch you if I canOut off my way I'm coming
I'm gonna catch you if I canOut off my way I'm running
I'm gonna catch you if I canOut off my way start running
I'm gonna catch youCatch you, catch you
