In The Rain

Xscape

I wanna go outside, go outside, go outside, in the rain
I wanna go outside, in the rain
Oh, I said I wanna, I wanna go outside, in the rain
Cause I, I think I'm gonna cry
Cause I, I don't want you to see me cry
No, no, no, no
I wanna go outside, oh I wanna go, in the rain
It may sound crazy, but I wanna
I wanna go outside, yes I do, in the rain
Hear me out
Hey, hey, hey
Once the rain starts falling on my face
Then you won't to see, a single trace
Right now I think I'm cryin'
Because of you I'm dying
Don't want you to see me cry
Let me go, let me go, let me go
I just wanna go outside, in the rain
Oh, baby, oh I just wanna
Oh, don't want you to see me this way
In the rain
Oh, that's why, I've gotta go
Once the sun comes out
And the rain is gone away
I know I'm gonna see a better day
Right now, I think I'm dyin'
Because of you, I'm cryin'
Don't want you to see me cry

Let me go, let me go, let me go
Hey hey hey hey
In the rain
I wanna go, I wanna go, I wanna go
May sound crazy, may sound crazy
I wanna go outside, go outside, go outside, in the rain
Oh I just wanna go
I've gotta go outside, yeah
I've just gotta hide the tears
In the rain

I don't want you to know
May sound crazy, may sound crazy
Oh, yeah
I wanna go outside, go outside, go outside, in the rain
Can't let you see me like this
No baby, I don't want you to know
I don't want you to know, that I'm cryin
Crying, over you
In the rain
I don't want you to know
May sound crazy, my sound crazy
Can't let you see me, I can't let you see me cryin'
I wanna go outside, go outside, go outside, in the rain
No no, no no, oh, yeah
I gotta go, yeah
I've gotta go
I, I, I, I've gotta go, outside
In the rain
Baby, you wouldn't understand if I told you
