

The Light Pours Out of Me

Magazine

Time flies, time crawls
Like an insect up and down the wallsThe light pours out of me
The light pours out of meThe conspiracy of silence ought
To revolutionize my thoughtThe light pours out of me
The light pours out of meThe cold light of day pours out of me
Leaving me black and so healthyThe light pours out of me
The light pours out of meIt jerks out of me like blood
In this still life, heart beats up loveThe light pours out of me
The light pours out of me
