

# The Navy Song

Billy Talent

Time, rolling along with the waves  
A thousand miles away  
Holding you close in the rain  
Seems just like yesterday  
Lost up in a faraway place  
And in my hand remains  
A black and white print of a face  
I'll never see again  
I gave my life to save her  
The ocean turned to red  
In the fall, in the fall  
When the tide took them all  
In the fall, in the fall  
When the tide took them all  
Cut down like lambs at slaughter  
Good men were left for dead  
In the fall, in the fall  
When the tide took them all  
In the fall, in the fall  
When the tide took them all  
Love, certain till death do us part  
I'm drifting in the dark  
Wounded and wishing to fall  
Into your faithful arms  
I gave my life to save her  
The ocean turned to red  
In the fall, in the fall  
When the tide took them all  
In the fall, in the fall  
When the tide took them all  
Cut down like lambs at slaughter  
Good men were left for dead  
In the fall, in the fall  
When the tide took them all  
In the fall, in the fall  
When the tide took them all  
Beneath the sky of hate  
Beyond the sea of pain  
In heaven I will wait

Until we meet again  
Go, I gave my life to save her  
The ocean turned to red  
In the fall, in the fall  
When the tide took them all  
In the fall, in the fall  
When the tide took them all  
Cut down like lambs at slaughter  
Good men were left for dead  
In the fall, in the fall  
When the tide took them all  
In the fall, in the fall  
When the tide took them all  
I gave my life to save her  
The ocean turned to red  
In the fall, in the fall  
When the tide took them all  
In the fall, in the fall  
When the tide took them all  
Cut down like lambs at slaughter  
Good men were left for dead  
In the fall, in the fall  
When the tide took them all  
In the fall, in the fall  
When the tide took them all
