## Kool & The Gang

Owwwwww  
Coast to coast via satellite  
The greatest show in town  
Tonight we crown the champion, yeah  
So spread the word around Who's the best? Pass the test  
Who's got that look in their eyes?  
Dancin' feet, feel the heat  
Only the strong will survive Dance Champion  
Dance Champion, hey, hey, hey  
Dance Champion  
Dance Champion Who's the Champion?  
And who will claim the throne?  
Champion, everybody's watchin' you Dance Champion  
Dance Champion, hey, hey, hey  
Dance Champion  
Dance Champion Dancin' to the music  
Now, shake your body down  
Just like the "King Of Movement", yeah

And who will claim the throne?
