High Roller

Joell Ortiz

Jump in my love car, don't have to go very far

Just far enough to show you a thing or two

I can really swing the best of everything

And I want to have a thing with youHigh roller, what I buy is mine

And I always get the things that I choose

My, my, my, such a high high high rollerI know he's gone away and left you

I'll take real good care of youI'm in the mood for love, you're all, I'm thinking of

I'll make you feel alright, when we're alone

I can really swing, the best of everything

And I want to have a thing with youHigh roller, what I buy is mine

And I always get the things that I choose

My, my, my, such a high high roller, is that you?I knew you'd be here tonight and I'll make it alright

I'll take real good care of you

I'll tuck you in tonight and I'll make it alrightI know he's gone away and left you

I'll take real good care of you
