

Do You Mind

Five For Fighting

Do you mind if I ask you a question?
Do you mind if I swear not to hurt you?
Do you mind if I don't piss on your bed?
Do you mind? Do you mind? Do you mind?
Do you mind if I bring her still with me?
Do you mind if I forget and thank you?
Do you mind if I juggle the meaning?
Do you mind? Do you mind? Do you mind?
Do you care that I wear only silver?
Do you care that I set only stone?
Are you angry the you I'm adopting
Is only a pretense at home?
Do you mind if I make you wear earrings
Like she did, like you did before?
Do you mind for I think I still love you?
Do you mind always have evermore?
