

Somebody Hurt You

Keb' Mo'

Somebody hurt you
Somebody hurt you
Somebody hurt you
Oh yeah, somebody hurt you
But I tell you what
Ain't nobody every gonna hurt you no more Somebody used you
Somebody used you
Somebody used you
Hurt you and abused you
Oh but, ain't nobody every gonna hurt you no more It's all right
It's all right
Yes, it's all right
All you gotta do is
Let it go
Let it go Somebody loves you
Somebody loves you
I love you
I really, really love you
I tell you
Ain't nobody ever gonna hurt you no more Somebody hurt you
Somebody hurt you
Somebody hurt you
Somebody hurt you
But you know what
Ain't nobody ever gonna hurt you no more
Ain't nobody ever gonna hurt you no more
