Eye Of The Storm

Killswitch Engage

As time goes by
Nothing has changed
I won't stand and watch
You wither away
After all this time
I stand by you
Through all of the years
I've been with you
Through pain and affliction
With every addiction
I will never let you down
I will live by this code
Never surrender
You and I are one
Through the eye of the storm
You are never alone
Even through the shadows
You are never alone
After all this time
Still you struggle
Even words of love
Ring so hollow

I have no regrets
I have no remorse
And if you falter
I won't let you down
Through the eye of the storm
You are never alone
Even through the shadows
You are never alone
Come on
Together we stand, never fall
No matter the trial, we will overcome
Together we stand, never fall
No matter the trial, we will overcome
Through the eye of the storm
You are never alone
Even through the shadows

You are never alone
Together we stand, never fall
No matter the trial, we will overcome
We will overcome
