

# Choices

## Leonard Cohen

I've had choices  
Since the day that I was born  
There were voices  
That told me right from wrong  
If I had listened  
I wouldn't be here today  
Livin' and dyin'  
With the choices I've made  
I was tempted  
At an early age I found  
That I liked drinkin'  
No, I never turned it down  
There were loved ones  
But I chased them all away  
Now I'm livin' and dyin'  
With the choices I've made  
I've had choices  
Since the day that I was born  
(There were) I heard voices  
That told me right from wrong  
If I had listened  
No, I wouldn't be here today  
Livin' and dyin'  
With the choices I've made  
I'm still payin'  
For the things that I have done  
If I could turn back  
Oh, Lord I would run  
But I'm still losin'  
At this game of life I play  
Now I'm livin' and dyin'  
With the choices I've made  
I had choices  
Since the day that I was born  
There were voices  
That told me right from wrong  
If I had listened  
I wouldn't be here today  
Livin' and dyin'

With the choices I made  
Livin' and dyin'  
With the choices that I've made
