

# River

Ben Platt

You say there's so much you don't know  
You need to go and find yourself  
You say you'd rather be alone 'Cause you think you won't  
Find it tied to someone else Ooo, who said it's true  
That the growing only  
Happens on your own?  
They don't know me and you I don't think you have to leave  
If to change is what you need  
You can change right next to me  
When you're high, I'll take the lows  
You can ebb and I can flow  
And we'll take it slow  
And grow as we go  
Grow as we go  
You won't be the only one  
I am unfinished, I've got  
So much left to learn  
I don't know how this river runs  
But I'd like the company  
Through every twist and turn Ooo, who said it's true  
That the growing only  
Happens on your own?  
They don't know me and you You don't ever have to leave  
If to change is  
What you need  
You can change  
Right next to me  
When you're high,  
I'll take the lows  
You can ebb and I can flow  
And we'll take it slow  
And grow as we go  
Grow as we go  
Grow as we go  
Grow as we go I don't know who  
We'll become  
I can't promise it's  
Not written in the stars  
But I believe that

When it's done  
We're gonna see  
That it was better  
That we grew up together Tell me you don't  
Wanna leave  
'Cause a change  
Is what you need  
You can change  
Right next to me  
When you're high,  
I'll take the lows  
You can ebb and  
I can flow  
And we'll take it slow  
And grow as we go  
Grow as we go  
Grow as we go  
Grow as we go
