Lover

Beth Ditto

I don't know how I feel when the day comes
I don't think I wanna know
Not sure exactly who you'll be when I wake up
Will you love me tomorrow?Whatever happened to the person that I used to know
And who are you now?
I'm unfamiliar with the stranger standing in front of me
I think I figured it outLover
You're playing dirty with me
Ooh lover
Make me believe
Because I wanna believe
More than anything
Ooh lover, you're playing dirty with meYou can spare me your lies, gimme the details
Don't mention her name
But have the decency to tell me where we're a lost cause
This illusion gameBut you're carrying on with guilty pleasures
Was I not enough?
I'm not entirely sure if you're aware of
What you're giving upLover
You're playing dirty with me
Ooh lover
Make me believe
Because I wanna believe
More than anything
Ooh lover, you're playing dirty with meWhat caused your eyes to wander?
I thought distance made the heart grow fonder
What doesn't kill you only makes you stronger
But nowOoh lover
You're playing dirty with me
Ooh lover
Make me believe
Because I wanna believe
More than anything
Ah lover
You're playing dirty with me
Ooh lover, you're playing dirty with me
