KARMA SEEKER

VANT

Your twisted heartache surrounds me
I don't know how you're still standing
Down, I convinced you to stay
Down, do you need to be free?Karma seagulls don't sway
Karma seagulls don't sway
Karma seagulls pure bliss
If you search you'll destroy what you missI've never felt so consumed
Your pheromones leave me bruised
Love, I'm a slave to your game
Love, will convince you to stayHarrowed, how could he let you go?
Don't let him swallow, pride that he used to showKarma seagulls don't sway
Karma seagulls don't sway
Karma seagulls pure bliss
If you search you'll destroy what you missI used to fear the one you loved
I used to see him up above
But now he's gone
I used to fear the one you loved
I used to see him up above
But now he's gone
But now he's gone
I used to fear the one you loved
I used to see him up above
But now he's goneHarrowed, how could he let you go?
Don't let him swallow, pride that he used to showKarma seagulls don't sway
Karma seagulls don't sway
Karma seagulls pure bliss
If you search you'll destroy what you missDown, I convinced you to stay
Down, do you need to be free?
Love, I'm a slave to your game
Love, will convince you to stay
